

Letter of Recommendation

To Whom It May Concern,

It is my pleasure to write this letter of recommendation for Mr. Samra Ayele, who was a student in my CYSC-300 course during the Spring 2025 semester at Franklin University. Throughout the term, Samra demonstrated a high level of academic dedication, intellectual curiosity, and a genuine passion for learning; qualities that make her an outstanding candidate for any scholarship opportunity.

Samra consistently approached coursework with diligence and thoughtfulness. He not only met the technical requirements of the class but often went beyond them, offering well-structured insights during discussions and engaging in complex cybersecurity concepts at a depth that stood out among her peers. His work was always thorough, timely, and reflective of a strong commitment to academic excellence.

Beyond his academic capabilities, what impressed me most about Samra was his professionalism, integrity, and the respect he showed toward both his classmates and instructors. He demonstrated the kind of maturity and initiative that is rare and commendable in an undergraduate student.

I am confident that Samra Ayele will bring the same level of excellence, discipline, and enthusiasm to any academic or professional endeavor he chooses to pursue. I strongly recommend him for your scholarship and trust he will be a worthy recipient of your support.

If you require any further information, please do not hesitate to contact me.

Sincerely,

Professor Dewin Andujar

Department of Cybersecurity
