Subject: Letter of Recommendation for Samra Ayele

To Whom It May Concern,

I am pleased to write this letter of recommendation for Samra Ayele, who was a student in my Introduction of Cybersecurity course last summer. Samra earned an “A” in the class and consistently demonstrated strong academic performance, thoughtful engagement, and a high level of professionalism throughout the term.

Samra completed all assignments on time and with care, reflecting not only a deep understanding of the course material but also a commitment to excellence. His work stood out for its clarity, precision, and insight. He actively participated in class discussions and was always prepared, contributing meaningfully to the learning environment and showing curiosity. His dedication to growth and learning was evident in the questions he asked and the assignments he completed.

I strongly support his application for a scholarship and am confident that he will be an asset to any academic or professional program.

Please feel free to contact me if you need any further information.

Sincerely,

Tracey Boggs-Walsh
