To Whom It May Concern,

I am pleased to write this letter of recommendation for Samra Ayele, a dedicated and driven student whom I had the pleasure of teaching in COMP 281 at Franklin University. From the start, Samra stood out as a focused and engaged learner with a strong work ethic and a sincere desire to grow both academically and professionally.

What impressed me most about Samra was not only his grasp of the course material but also his willingness to go above and beyond in his studies. He approached assignments thoughtfully, asked insightful questions, and consistently delivered high-quality work on time. His ability to balance academic excellence with full-time professional responsibilities, and his role as a father, is truly commendable.

Samra demonstrates qualities that are essential for scholarship recipients: integrity, perseverance, intellectual curiosity, and a commitment to personal and professional development. His decision to return to school to pursue a degree in cybersecurity reflects his ambition to create a meaningful career in a critical and evolving field. He is not only preparing himself to succeed in the industry but also to make a positive contribution to the organizations he will serve.

I am confident that Samra will continue to excel in his academic and career pursuits. I offer my wholehearted recommendation and strongly believe that he is an ideal candidate for your scholarship.

Please feel free to contact me at 740-816-5071 or laurie.crawford@franklin.edu if you require any additional information.

Sincerely,

Professor Laurie Crawford
